General Information

The content of this website is provided for informational purposes only and does not constitute investment advice, an offer to sell, or a solicitation of an offer to purchase any financial product or service. The information is not tailored to the specific investment objectives, financial situation, or particular needs of any person. Potential investors should seek independent financial advice before making any investment decision.

GIS offers three investment strategies:

1. **Global Smaller Companies**
2. **Global Emerging Markets**
3. **Emerging India**

Specific information on these strategies, including risks and objectives, is available upon request and through appropriate offering documents.

GIS does not guarantee the accuracy, reliability, or completeness of the information provided on this website. Although reasonable efforts are made to ensure that the information is up-to-date, GIS accepts no responsibility for errors or omissions. GIS reserves the right to amend or remove any content without notice.

Investment Risk

Investments in financial markets involve risks, including potential loss of capital. The value of investments may go down as well as up, and past performance is not indicative of future results. Currency exchange fluctuations may also impact the value of investments. Specific risks associated with the Global Smaller Companies, Global Emerging Markets, and Emerging India strategies will be outlined in the relevant offering documents.

Regulatory Information

GIS complies with the rules and regulations set out by the FCA, including obligations under the Financial Services and Markets Act 2000 ("FSMA"). GIS is not responsible for any third-party content or websites linked to or from this website. Accessing such third-party websites is at your own risk.
